

Friends of the Library
Minutes for Meeting of April 24, 2018

Kris called the meeting to order and a quorum declared. Present were Kris, Don, Rhonda, Patty, Allyn and Salai.

Minutes for the past two meetings were approved.

Financial report was approved.

Book Bike: We need magnets to hold the signs for the book bike. There are none in Alamosa that would work. Patty will look at Lowes and Home Depot in Pueblo on May 14.

Literary Magazine: We will need to cancel it or purchase new software and a laptop. After discussion, Patty moved, Allyn seconded; it was approved to purchase the software and laptop. Salai mentioned that she had already received some submissions for the magazine.

Book Sale May 5th: Allyn will send out a call for helpers and make a schedule. The sale is from 9:00 until 2:00. Book collection days will be cancelled for the summer. Judith Boyd has made new Friends of the Library applications for us.

Repurposed Library: We watched a video on how to make book lamps. We will try it on the next craft day Sunday, May 20 from 1:00 3:00.

Salai gave an update on the National Library Week carnival. It was well attended and very successful.

StoryWalk: Save the Children organization is leaving the Valley. The Children's Literacy Council is losing it's leader. Some other group needs to take over the StoryWalk. FOL decided that we could do it three times a year. Each time, three copies of a new book in English and Spanish would need to be chosen; then taken apart and pages placed in the storywalk holders. Kris moved, Salai seconded. It was approved the FOL do this.

Respectfully submitted, Patty Campbell
