Narrow Gauge: Kris said we're (FOL) are overwhelmed with books. We would like to invite the bookstore in to go over the books to see if there is anything they can use. Having the cart outside is really good. The monthly check will be mailed out, and the books on the cart will be refreshed. Marlana says the journals sell well. We asked what she needs, and she replied "help with business/financial decisions." Can advertise bookstore events at the library. Add topic to next meeting to discuss further.
